WHAT WE

DO

We aim to educate and empower our community on how to better support one another...

Brent Hub Community Enterprise Centre is managed by a church charity 'Destiny House International' which is based in the London Borough of Brent and is the heart of Stonebridge. We have a range of activities and events for children and adults including classes, training courses, and cultural celebrations. The centre can be hired for workshops, meetings, or any other special occasion or event.

HOW YOU CAN HELP

Be the flow of hope for our communities.

VOLUNTEER #1

We're always happy to hear from anyone interested in volunteering at our foodbank, welfare clinics/outreach, homework clubs, holiday clubs, seniors club, or helping behind the scenes with our core team on marketing, admin, fundraising, events and more.

DONATIONS & FUNDRAISING #2

A generous and caring heart brings huge benefits to people's lives. Even a small donation helps us to make those benefits available to CHILDREN and FAMILIES in OUR COMMUNITIES.
